Then, embark on a Heli Fishing adventure to a secret, remote location. Lunch will be served as we weigh anchor and cruise to another Kimberley icon - Montgomery Reef. Here, you'll witness a spectacular 140 square miles of coral reef rising right out of the ocean, home to turtles, dugongs, crocodiles, and a whole world of remarkable sea creatures.

At Prince Regent River, you will have your pick of unmissable fishing spots, targeting mangrove jack and fingermark bream. Then, at King Cascade, we'll manoeuvre the vessel right under the falls for an iconic True North experience.
