EXPLORE THE WORLD ONE ADVENTURE AT A TIME

ERAKOR ISLAND RESORT

This small (16 acres) private island is big on features. There's so much to do and enjoy in this paradise of lush tropical gardens with secluded tracks and white sand beaches. Swim in the pool or off the beach in the lagoon where you can snorkel over schools of tropical fish in crystal clear water. Kayak or paddle board around the island or learn how to paddle an island outrigger canoe. It's all free for in-house guests to enjoy.

Learn Melanesian ways with the friendly staff and embrace the culture, weaving your own picnic basket or learning the mystery of sand drawing. Visit the historic open-air chapel, the oldest in the South Pacific and still used for services.

Erakor is a favourite with families. The **Kokonut Kids activities** are fun-filled and friendly.

Melanesian themed nights with fire shows and a feast are spectacular plus all-you-can-eat pizza at movie night.

For holidaying with extended parties, there's a wide range of multi-bedroom villas that can sleep from four up to 13 people. Perfect for an intimate wedding party or special celebration!

If you want to go out discovering, the mainland and Port Vila is minutes away on the **FREE** 24-hour ferry.

These packages can be combined with our other holiday offers to extend your holiday and see more of Vanuatu. We recommend:

- **Espiritu Santo**, Vanuatu's largest island north of Efate, just a 45 minute flight from Port Vila. it is an untouched paradise of white sand beaches and shimmering coral reefs. Add to this, the cultural side of the Ni-Vanuatu people with their traditional villages, arts, crafts and long-held customs. Adventure seekers can hike to mysterious caves to swim in refreshing water holes, while divers and snorkellers can explore an underwater world of World War II shipwrecks, colourful coral and tropical fish.
- **Tanna Island** – is a smaller island with a big volcano! Mount Yasur is the most accessible active volcano in the world and the crater rim walk, where you can peer down into a bubbling, smoking, spitting lava cauldron, is one of Tanna's natural highlights. After that, take your pick of visiting a local kastom village, hiking to hidden waterfalls like Louniel or Lenuingao, snorkeling inside the Blue Cave, or just beach hopping around Port Resolution. We recommend a three-day excursion for this adventure
