EXPLORE THE WORLD ONE ADVENTURE AT A TIME

ESPIRITU SANTO, VANUATU

DANY ISLAND ECO RESORT

Espiritu Santo, Vanuatu's largest island north of Efate, is just a 45-minute flight from Port Vila. It is an untouched paradise of white sand beaches and shimmering coral reefs. Add to this, the cultural side of the Ni-Vanuatu people with their traditional villages, arts, crafts and long-held customs. Adventure seekers can hike to mysterious caves to swim in refreshing water holes, while divers and snorkellers can explore an underwater world of World War II shipwrecks, colourful coral and tropical fish.

Dany Island Resort is an exceptional, exclusive private island escape where barefoot luxury meets natural beauty. Surrounded by soft white sands and vibrant coral reefs, it is a marine sanctuary and the **best snorkelling location in Santo**. Witness **nesting sea turtles** and baby hatchlings which make their way towards the ocean during the season. Another highlight is a surf break, which is rare for this part of Vanuatu, and uncrowded. This is a **private surfing experience** surfable year-round but best during summer months when swell and weather align beautifully. Surfboards and water sports equipment are available for hire. Access to the mainland is easy and takes approximately 10 minutes by boat.

To not mention the **superb food and cocktails** would be a serious omission!

Eco villa beachfront

Baby turtles
