DAY 2 - Kakadu National Park

This morning, take to the skies for a breathtaking 60-minute scenic flight over Kakadu's dramatic escarpments, floodplains and winding rivers – a perspective that reveals the vastness and beauty of this ancient land. Then head to the East Alligator River for a cultural cruise hosted by local Indigenous guides, who share insight into traditional land management and stories of the region.

Afterwards, we explore Ubirr, one of Kakadu's most iconic rock art galleries, with two short walks available to view extraordinary Aboriginal rock art dating back thousands of years.

*** Due to the seasonal weather experienced in the Top End during March and April you will experience Nourlangie after your scenic flight instead of Ubirr, and the cruise will occur on Yellow Waters.*

Return to your hotel to unwind before dinner, reflecting on the adventures of the day. Meals: B.L.D

Day 3 - Kakadu National Park to Darwin

We depart Kakadu along the Arnhem Highway and travel through the Mary River National Park. Board a scenic cruise to discover the vast floodplains and wetlands teeming with birdlife and home to one of the highest concentrations of saltwater crocodiles in the world.

*** Due to the seasonal weather experienced in the Top End during March and April you will enjoy the famous 'Spectacular Jumping Crocodile Cruise' in place of the Mary River cruise. Afterwards, pass through the agricultural hub of Humpty Doo before arriving in Darwin, where your Kakadu adventure concludes. Meals: B.L*
